

Objective:

Enthusiastic Software Engineer with a strong foundation in Computer Science and hands-on experience in full-stack web development. Seeking an opportunity to apply problem-solving skills and contribute to scalable product development.

Area of Interest:

- 1. Web Development** (Frontend, Backend, Web Framework)
- 2. UI/UX Design** (User Interface & User Experience)

Education:

Bachelor of Engineering in Computer Science
2023 - 2027

Dr. Mahalingam College of Engineering and Technology
CGPA - **7.87/10**

Higher School Certificate – CBSE
2022 - 2023

Kendriya Vidyalaya Air Force Station Sulur, Coimbatore
75.8%

Secondary School Leaving Certificate – CBSE
2020 - 2021

Kendriya Vidyalaya Air Force Station Sulur, Coimbatore
91.4%

Skills:

Technical Skills:

- **Programming Languages:** Java, Python, C
- **Web Technologies:** HTML5, CSS3, JavaScript
- **Database:** MySQL
- **Core Concepts:** Object-Oriented Programming, Data Structures
- **Video Editing & Motion Graphics:** Adobe Premiere Pro, After Effects and Photoshop

Soft Skills:

- **Adaptability** to New Technologies and Frameworks
- **Team Collaboration** and **Communication**
- **Quick Learner** with a **Self-Driven** Approach
- **Proactive** Approach in learning and task execution.
- Open to **Constructive** feedback and focused on continuous improvement.

Projects:

Expense Tracker using Tkinter in Python

Apr to May 2025

- Developed a desktop application for managing expenses with a Tkinter-based GUI, SQLite database integration, CRUD functionality, expense analysis features, and an object-oriented design approach.

GoogleDrive Clone – Cloud Storage Web Application (MERN Stack)

Jul to Nov 2025

- Built a full-stack cloud storage application that allows users to securely log in, upload, download, search, and organize files and folders, using MongoDB, Express.js, React.js, and Node.js with JWT authentication, RESTful APIs, file management capabilities, and a responsive user interface for secure file storage and retrieval.

Internships:

Indian Infotech - Software Development Intern [Namakkal]

Jun to Jun 2025

- Explored Python libraries and development tools through self-directed learning.
- Worked collaboratively with engineers while independently researching solutions and debugging issues.

Certifications:

- Completed Python Bootcamp Certification in Infosys Sprigboard.

Achievements:

- Secured 3rd Position at Intra - College level Hackathon for developing a C Program for reversing Strings.
- Produced and edited the college's first official aftermovie for Varnam'25.

Extracurricular Activities:

- Team Lead – StudioMCET
 - Coordinated team activities and project execution.
 - Managed collaboration between multiple student contributors.
 - Developed communication and leadership skills through event coverage and media production.
 - Industry Projects – ABT Groups & Sakthi Auto Components: Participated in media and documentation tasks.
-

Hobbies:

- Exploring UI/UX design and modern interface trends.
 - Building and experimenting with web applications.
 - Creating visual content through photography and video editing.
-

Languages Known:

- English
- Hindi
- Tamil
