SUMMARY

A driven product designer and full-stack developer passionate about crafting intuitive, accessible digital experiences through product thinking and user- centred design principles. Skilled in front-end development, translating concepts into polished, functional interfaces that balance usability, aesthetics, and technical feasibility across web and product design projects.

SKILLS

- Product Design
- UI/UX Design
- Wireframing & Prototyping
- Interaction Design
- Responsive Design
- Branding & Identity
- Product Management
- Figma, Adobe CC (Ps, Ai, Pr, AE)
- HTML, CSS, JavaScript, React.js
- Python, MySQL

EXPERIENCE

- Software Development Intern — Indian Infotech, Namakkal** Jun 2025
- Built a visitor management system in Python and MySQL, enabling efficient visitor tracking through CRUD operations and database integration.
 - Collaborated closely with engineers to debug and test application features, strengthening software quality through structured development practices.
 - Assisted in coding software applications using Python and JavaScript, and contributed to project design and implementation strategies alongside the team.
- Team Lead, Editor & Graphic Designer — StudioMCET, Dr. Mahalingam College of Engineering & Technology** Sep 2023 – Present
- Lead a multidisciplinary creative team delivering visual content — aftermovies, promotional campaigns, and branded digital content — for major institutional events.
 - Design posters, social media creatives, and motion graphics while maintaining a consistent visual identity across all projects.
 - Coordinate with photographers, videographers, designers, and faculty to execute projects on schedule under tight deadlines.
 - Contribute to photography and cinematography for cultural festivals, product shoots, and industry collaborations, including with ABT Group and Sakthi Auto Components.

EDUCATION

- Bachelor of Engineering, Computer Science & Engineering** Sep 2027
- Dr. Mahalingam College of Engineering and Technology, Pollachi, Tamil Nadu | CGPA: 7.87/10*
- Relevant coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Computer Networks, Operating Systems, Software Engineering, Web Technologies, UI/UX Design.
- Higher School Certificate** Jan 2023
- Kendriya Vidyalaya Air Force Station Sulur, Coimbatore | GPA: 75.8%*
- Secondary School Leaving Certificate** Jan 2021
- Kendriya Vidyalaya Air Force Station Sulur, Coimbatore | GPA: 91.4%*

PROJECTS

- StudioMCET Event Management Platform & Portfolio Website (MERN Stack)** — Designed and developed a full-stack event management platform featuring event organization, dashboard analytics, a responsive UI, and streamlined workflows for institutional use.
- ResumeLens – AI Resume Analyzer** — Built an AI-powered resume analysis tool that extracts candidate information, evaluates resumes, and presents actionable insights through an intuitive interface.
- Google Drive Clone** — Developed a cloud storage application with secure authentication, file management, and a responsive interface modeled on Google Drive.
- Personal Portfolio Website** — Designed and built a modern portfolio site showcasing projects, certifications, and creative work through a minimal, user-centered design approach.

CERTIFICATIONS

- Product & Brand Management — NPTEL (IIT Madras), 2025
- Artificial Intelligence — Infosys Springboard, 2025
- Python Programming Bootcamp — Infosys Springboard, 2025
- Networking Essentials — Cisco Networking Academy, 2025

ACCOMPLISHMENTS

- **3rd Place, Intra-College Hackathon** — Developed a C-based string manipulation application.
- **Creative Media Lead, StudioMCET** — Produced and edited the official Varnam'25 Aftermovie for StudioMCET's 10-Year Anniversary.
- **Creative Leadership** — Led promotional reels, branding assets, and visual content for major institutional events.

ACTIVITIES AND HONORS

- **Creative Media Team Lead, StudioMCET (2023 – Present)** — Directed a multidisciplinary student media team in planning and delivering creative content for flagship college events, strengthening leadership, communication, and project management skills along the way.
- **Cross-Functional Coordination** — Partnered with photographers, videographers, designers, and faculty to execute institutional projects within tight deadlines.

HOBBIES AND INTERESTS

- Exploring UI/UX design and digital product experiences.
- Building modern web applications and creative side projects.
- Photography, cinematography, and visual storytelling.

LANGUAGES

- English — Advanced (C1)
- Hindi — Upper Intermediate (B2)
- Tamil — Native
